Why Not Theatre Company
presents

O, for the love of Shakespeare

Theatre in English

"If music be the food of love, play on"

As part of the Copenhagen Literature Festival 2015, Why Not Theatre Company has assembled fragments from some of Shakespeare's richest verse to compliment the fragmentary nature of the wonderful collection of royal statues at The Lapidarium of Kings in Christian IV's Brewhouse.

O, For the Love of Shakespeare is a compilation of love poems, sonnets, scenes, songs and monologues from the extensive Works of Shakespeare.

We invite you to a promenade performance, bringing a wealth of knowledge and experience, to pay homage to our national poet in his native tongue, English.

Why Not Theatre Company has been producing professional theatre in English since 2007 and is today one of the leading English speaking theatres in Denmark.
